Subject: Authorization for Partial Release of Cash Deposit Held by Utah State Treasurer,  
Wasatch Mountain Excavating, Barney Mine, S/049/0065, Utah County, Utah

Dear Ms. Pedroza:

The Utah State Treasurer is presently holding funds for the benefit of the State of Utah, Division of Oil, Gas and Mining as a form of reclamation surety for the referenced project. The operator has requested that a portion of the surety be released as shown below, and the Division concurs with this request as follows:

Operator	Total Principal in Account	Mine Name	Permit Number	Amount to be Released	Amount to Remain in Account	Account Number
Wasatch Gravel and Rock aka Wasatch Mtn Excavating	\$10,600	Barney	S/049/0065	\$6,400	\$4,200*	

The check should be made to Wasatch Mountain Excavating, Inc. The company under whose name the account was established, Wasatch Gravel and Rock LLP, no longer exists, but one of the partners with Wasatch Gravel and Rock LLP, Brett Bryson, is the president of Wasatch Mountain Excavating, Inc.

The Division also requests that the name on the account be changed to Wasatch Mountain Excavating, Inc. The Division will be assigning these funds to the Elite Rock West mine, S/049/0050, and closing the file for the Barney mine, S/049/0065.
